Container to be positioned (dropped) on: _____ (date), _____ (time)
and picked up: _____ (date), _____ (time)

Mark here if "live" loading: _____ (2 hours of free loading time included, extra hours charged additionally).

Dropping container for later pick up after a day or two available with additional charge. Shipper should provide a safe spot to place and load container by not obstructing any water hydrants, traffic marking on the streets or above as traffic lights, traffic signs and all other signs for danger or information. Please check if loading permit is needed by local authorities at place of container loading. All tickets, fines and actions by local authorities in dealing with this move while container is at shipper's location will be on a shipper's account. Shipper is responsible for all charges resulting from US Customs and Border Protection actions in pre or post shipping inspections as well as actions by Customs overseas. If shipping motor vehicle, please provide Original Certificate of Title. Title must be "clean" (no Bank Lien) or you have to provide Lien Holder's letter standing that their interest in this vehicle has been satisfied. Automobile has to be loaded last, next to the door and secured (strapped) inside container, fuel drained and battery disconnected. We recommend taking photos of loading process and padlocking container. Seal MUST be placed on the container door! Arrival dates are only informative and Shipper will not hold Pinki Enterprises, Inc. dba Sail Container Line responsible for delays during transportation process to a final destination. Please provide count and value for loaded items and declare net total weight of loaded cargo.

In the case that Vessel Operating Company changes a date of receiving container and we are not able to deliver it to a Port/Rail Terminal as previously booked and approved by them, all or some of Pre Pull Charges, Per Diem Charges, Storage Charges, Chassis Fees, Driver/Truck waiting time will be added to our invoice on the top of our initial quote.
